ICONIA TAB A Series

Lightweight and smaller than a magazine, the ICONIA TAB A Series is very easy to carry. It runs on the tablet-tailored Android™ operating system, and sports a capacitive multi-touch display with smart divisions that open up new possibilities for interaction. Enjoy a whole new touch experience!

Strikingly powerful

Inside the smooth and handsome chassis is a powerful mobile processor, putting striking power and graphics in your hands, while ample RAM enables fast multitasking. The multi-touch screen and fluid interface make using this tablet a breeze. And use it your way: hold the ICONIA TAB A Series in any direction and it'll auto-rotate to your perspective. What's more, the long-lasting battery will give you several hours of HD video playback and enjoyment.

Incredibly entertaining

The ICONIA TAB A Series plays engaging HD video and visuals1 matched with enhanced sound quality, so you're geared up for killer entertainment! Other handy features include the Acer Zones, which keep your game, multimedia, reading, and social content organized; and Acer SocialJogger for managing your social networking accounts from a single page. You'll also get a kick out of the preloaded HD games, and game stores for more downloads. And don't worry about space -- a microSD™ Card slot provides plenty of memory expansion.

Fully connected

The ICONIA TAB A Series packs Acer clear.fi so you can organize, share and enjoy media across different devices within your home network. You'll also appreciate having two high-performance cameras: one rear-facing and one front-facing for superb picture-taking and video calls. In addition, wireless connectivity plus optional 3G keep you in constant contact.
